Relay, Sat Jun 25 morning

Competition:	Czech Championships, public race
Competition Centre:	Sosnová, 50°39'26.824"N, 14°32'9.956"E, no shelter. Route will be marked from the cross of road No. 9, exit Sosnová, road No. 00913. Exit towards Okřešice (right when coming from Mělník, left from Česká Lípa) is embargoed!

Classes:	Elite
Course:	3 x 8 controls + 3 x 1 TempO cluster, length 3 x 130 m, no elevation, free-order punching. Only A–Z controls with no decision points. There are several courses in the forest, therefore there are more flags than tasks for each leg. Time limit is 85 min plus 5 min for each P class member of the team.
Competition Area:	See embargoed area #4 of the WTOC 2023. https://www.wtoc2023.cz/embargoed-areas/ The competition area of this race will be excluded from the embargo for the WTOC after the finish of the race.
Maps:	Maps for the classical part are printed on a synthetic paper PRETEX of A5 format. Maps will be collected by the chip read-out.
Zero tolerance:	4 m, no exceptions.

- Punching:** ToePunch system. Each team member has her/his own set of ToePunch chips. The competitors have to clear all chips of the set at the CLEAR station in the start area. Start time is recorded by punching the START station and finish time by the FINISH station. After returning to the Competition Centre, the competitor downloads the ToePunch data at the readout, and the punching record is printed. The record is kept by the referee until the start of the last competitor. In case of the ToePunch malfunction, the competitors punch a classic paper card with their own needle punches, safety pin, or anything suitable. **The competitor must inform the readout referee about the used back-up punching.**
- TempO cluster is measured with ANT by two referees.
- Registration:** **In the Competition Centre in Sosnová, 9:00–11:30 [Change since the Invitation!].** A representative of each club/team receives chip sets and number bibs for the whole team. **Please have the exact amount ready in case of cash payment of the entry fee, especially when paying with Euros.**
- Parking:** Parking for wheelchair users is in the Competition Centre, east of Road No. 9. It is necessary to arrive via Sosnová from the west through an underpass, see the plan. Parking for other competitors is possible at parking places in the village, or along the street (the green line). Heed all the road rules! The only possible access to the Competition Centre is from the west through the underpass.
- Start:** **Czech Championships:** 9:30, mass start
Public race: 11:00–12:00, start lists are published at the event web page.
- Change-over:** Neither Start, nor Finish are in the Competition Centre. First leg competitors should leave the Competition Centre approximately 10 mins ahead of their start time. Starting referee allows the competitors to start by punching the START ToePunch station. When a competitor finishes her/his leg, a referee sends a signal to the Competition Centre for the next leg of the relay to move to start. On their way back to the centre, the competitors shall not needlessly stay in the competition area and communicate with other competitors. The change-over is done at the start point by touching hands. The competitors can hand over their **stopwatch and backup paper punching card. The relay members need to watch their time by themselves!** After the hand-over, the next leg competitor punches the START station and starts the race. The previous leg competitor proceeds to the TempO station and to the Competition Centre.
- Complaints and Protests:** Competition maps, punch records and solutions will be handed out after the start of all last leg competitors, cca 13:30 in the Event Centre (Jestřebí). **Complaints shall be made before 16:30.**
